Subject: The Company has selected to propose the Renewable Energy Project for Security of the Royal Thai Navy

To: President
The Stock Exchange of Thailand

Siam Steel International Public Company Limited (SIAM) would like to inform that SIAM has been selected by the Royal Thai Navy (the Navy) to participate in the Renewable Energy Project for Security of the Royal Thai Navy by using solar power in the State Property Land which is occupied by the Navy. This project is under the energy development part of energy National Energy Policy Office Committee.

For the details of the operation, the Navy will notify SIAM when the Regulations of Purchase of Electricity from the ground Mounted Solar Power Plant for Government Agencies and Agricultural Cooperatives have been released. In that case, SIAM will certainly follow such regulations.

Please be informed accordingly

Sincerely yours,

(Mr. Surasak Kunanantakul)
Director
