Subject : Clarification the news

To : President
The Stock Exchange of Thailand

According to the news on Thun Hoon Newspaper, dates August 6, 2015 said that there is a high possibility that The Company will increase capital and issue the new share to the private placement or PP. The Company will invest Jointly with the major partner who has PPA certificate to engage in business power plan.

We would like to clarify that at present we are no such plant. If the Company will increase capital in the future, the Company will comply with the regulation and inform news to the Stock Exchange of Thailand for publicizing to the investors.

Please be informed accordingly.

Yours sincerely,

Surasak Kunanantakul
