Opinions of the Board of Directors The Board of Directors is of the opinion that the Shareholders should acknowledge the Company's operational results in the previous year.

Agenda Item 3 To consider for approval of the Financial Statements for the fiscal year ended on June 30, 2015

Objective & Rationale Board of Directors has prepared the Company's financial statements for the fiscal year as from July 1, 2014 to June 30, 2015, in order to be submitted to the Annual General Meeting of Shareholders for its consideration and approval in accordance with Section 112 of the Public Limited Companies Act B.E. 1992.

Resolution This Agenda requires affirmative resolution with the majority of vote of the total number of votes of Shareholders attending and casting votes at the Meeting.

Agenda Item 4 To consider for approval of the suspension of dividend for the operation results of the year 2014/2015

Objective & Rationale According to the audited financial statements of the Company for the fiscal year ending June 30, 2015, the Company reported the net loss in separate financial statement in the amount of Baht 67.66 million. The dividend payment policy has fixed at the minimum 40% of the net profit of separate financial statement after tax and reserve fund required by law. However, by virtue of Section 116 of the Public Limited Company Act B.E. 1992, the Company shall allocate a part of net profits as a reserved fund which is not less than five percent of annual net profits, less accumulated deficit brought forward (if any) until this reserved fund attains an amount not less than ten percent of the registered capital. At present, the reserve fund has completely been allocated according to the law which is 10 percent of the registered capital.

Opinions of the Board of Directors

The Board of Directors is of the opinion that, as there is net loss from the Company's operational results for the fiscal year 2014/2015, the Company is unable to pay dividends and the reserve fund is not required to be allocated. The Board of Directors therefore proposes that the suspension of dividend payment for the Company's operational results for the fiscal year 2014/2015 be approved by Shareholders.

On its website, the Company invites all Shareholders to propose agenda and qualified candidates for a directorship from June 2, 2015 to July 15, 2015. Despite the invitation, neither agenda nor candidates were proposed.

The Nomination and Remuneration Committee therefore has undertaken the procedures of nomination by considering persons who are knowledgeable, competent, experienced and qualified as per requirements of the Public Limited Company Act B.E. 1992, Announcements of the Securities and Exchange Commission and the relevant Announcements of the Stock of Exchange of Thailand as well as the results of assessment of working performance in the positions and by duties from their previous terms. In the best interests of the Company, 4 Directors who retired by rotation are proposed to be re-elected to resume the directorship for another term, the background of whom in details together with the qualifications of Independent Directors specified by the Company are attached (Enclosures No.4 and No.5).

Moreover, qualifications of independent directors regarding shareholding prescribed by the Company are more intensive than the definition of independent directors specified by the Securities and Exchange Commission and the Stock Exchange of Thailand.

Opinions of the Board of Directors

The Board of Directors, excluding interested Directors, agrees with the Nomination and Remuneration Committees' proposals and resolves to propose the re-election of the following 4 Directors who are required to retire by rotation for the Shareholders' Meeting's consideration since the Board of directors is of the opinion that they all have qualifications as prescribed by laws as well as knowledge, competency and experiences in relation to the operations of the Company:
